Little Egg Harbor Yacht Club in Beach Haven, NJ was the host for the ACC on June 8 & 9. It was a great turn out of 117 sailors in the three fleets.

There were 7 races in the Laser Standard fleet with Clay Johnson winning the regatta. Six races were held for the Radial and Laser 4.7 fleets. Liam McCarthy topped the Radial scores and Elizabeth Hansen won the Laser 4.7 fleet.

Many thanks to LEHYC for running a wonderful regatta.
