Wednesday, 23 November 2011 18:35 - Last Updated Wednesday, 14 December 2011 18:33

The Holidays are upon us! That means it's time to register for the Coconut Grove Sailing Club Open Orange Bowl Regatta. Due to the large number of entries, we are establishing an entry cutoff date for this regatta. Entries must be received by Wednesday, December 21st.

The dates are December 26-30, with racing days of Tuesday, December 27 thru Friday, December 30th on beautiful Biscayne Bay in warm, sunny Miami. Laser entrants must be age 19 and over. Lasers, Laser Radials and Laser Masters classes will be competing.

So, if you're a parent of a junior racer in the Coral Reef Yacht Club Orange Bowl International Youth Regatta, bring your Laser and come on down. Regatta schedules are coordinated so you can see the kid off in the morning at CRYC and still get in a full day of racing at CGSC. Laser charters also available from Tackle Shack, etc.

To register, please go to the [event website](#) .

See you at the Club next month!
