#### 3. Status of action items

##### a. Media/website:

i. FloCast subscription – this was \$100 per month and it has now been cancelled. We might consider creating our own YouTube site to upload videos.

b. Sponsorship: A draft package is pending. Sherri will distribute to the group for review with suggestions & edits with the idea to approve at the next ExCom meeting.

c. Regatta Guidelines Update: Document available to send to host venues. Sherri has updated this recently and will distribute for review and comment.

#### 4. New Business

a. 2013 U21 Standard Championship hosting offer from CORK during CORK International Regatta. Open to both Canadian and US youth sailors under 21. The U21 only applies to the Full rig as the radial is primarily U21 sailors by nature. The membership requirement has been added to their events and this helps the Class. It was agreed to accept their offer.
