ILCA has now published the Notice of Race and details regarding the allocated places for 2013 Laser Radial Women's World Championship in Rizhao, China.

Applications for this event are now being accepted through the ILCA website.

Sailors who are interested in attending this championship must complete an application form on the ILCA website. Total entry for this event is limited to 120 sailors.

Completing an application form does not commit sailors to attend the championship, it simply registers their interest to attend. Sailors who do not complete an application form will not be able to attend the championship.
