

## 2012 Standard and Women's Radial World Championships

Written by Sherri Campbell

Friday, 16 March 2012 22:14 - Last Updated Friday, 16 March 2012 22:24

---

Just in from the International Laser Class Office: NORs are now available and the application process is now open. Also there are important details regarding major changes to the mandatory charter policy of prior years. Read on for more details and apply today if you want to be considered for a berth.

### Notice of Race 2012 Laser Standard and Laser Radial World Championships

Attached are the Notices of Race for the above Championships in Boltenhagen, Germany, which also have been published on the ILCA web site:

[Laser Standard Men's Championship](#)  
[Laser Radial Women's Championship](#)

Details of the place allocations for each country are available at:

[Laser Standard Men's Place Allocations](#)

[Laser Radial Women's Place Allocations](#)

Please note that there is a change from previous years regarding charter boats.

For 2012 the championships will not be a mandatory charter. 40 charter boats for each championship will be available through ILCA by application through the ILCA web site. Allocation preference will given to sailors from outside Europe.

Important Dates for both Championships:

1. Close of applications for initial allocation of places and charter boats:  
# 27 March 2012 23:59 GMT
2. Ranking of applications by National Laser Associations:  
# 28 March until 1 April.
3. First round of place and charter boat allocation starts:  
# 2 April.
